

What is this data for?

Families need information in order to make informed choices about who will care for their children while parents and guardians are working or in education or training. This information helps parents choose a child care provider that best meets their family's needs.

Serious Injuries Data

An injury is defined as "any accident or injury which occurs in the early childhood setting or as a result of care provided in the early childhood setting and results in medical attention."

The data below was gathered for **calendar year 2018**.

Number of serious injuries reported in licensed child care programs	
Cuts, Bumps, Bruises and other Abrasions	98
Fractures, Sprains, Dislocations or Breaks	41
Seizures	4
Bee Sting	1
Burn	1
Total	145

Child Care Deaths

In 2018, there was one child death in a licensed child care facility.

Substantiated Child Abuse and Neglect Cases

In 2018, there were eight cases with a "Services Required" determination involving licensed child care providers.
